## May Yard of the Month

Picking the yard for the month of May was a little harder this time because there were quite a few to choose from. We have chosen 2236 Mistletoe Avenue. This is the home of Roger Ross and Leslie Smith. You won't be able to miss this wall of climbing roses on the curve of Forest Park Boulevard. The many colors complement each other as well as the perfectly manicured lawn.

As you're driving to and from your daily routine, this yard is sure to make your day a little brighter.

Happy Planting,  
DeDe Barth, Becka Elbert & Celia Jones
